Part 1

Our Plan proposes that we shape our services around individuals and communities to support everyone in Renfrewshire to live meaningful lives and achieve their hopes and aspirations. We seek to support the person rather than a condition or particular demographic with a focus on helping people to live independently, exercise choice and control over their care and support, and where necessary access the appropriate specialist support to help their recovery and rehabilitation where this is possible. We plan to do this through a focus on activity within five key themes:

- Sustainable Futures
- Healthier Futures
- Connected Futures
- Enabled Futures
- Empowered Futures

1. What are your thoughts on our five themes?

2. How would you amend or add to our proposed themes?

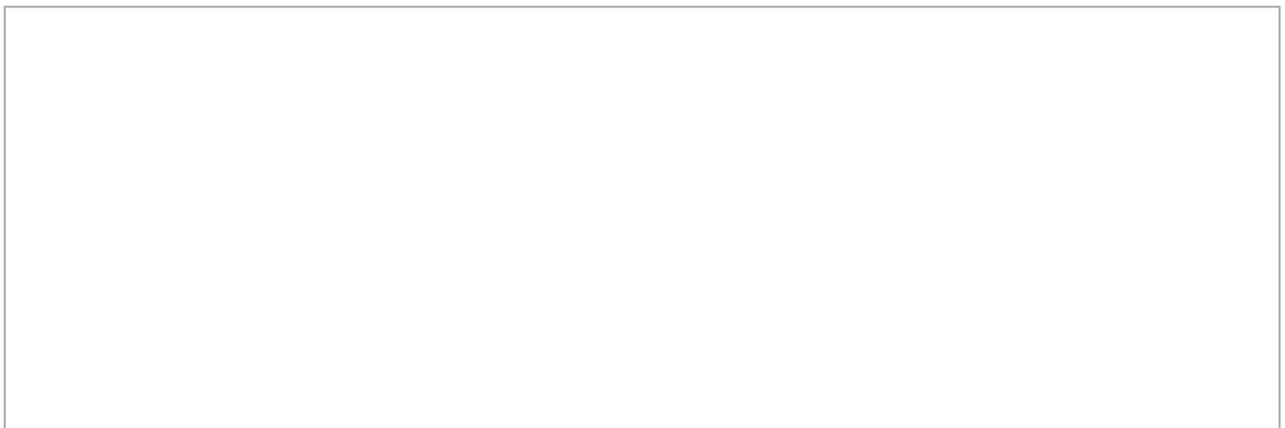

Part 2

The draft plan outlines a variety of priority activities we aim to undertake to tackle the challenges the health and care system will face.

3. What are your thoughts on the priority activities we are proposing in our draft Plan?

4. Would you suggest any changes to our proposals or add anything different?

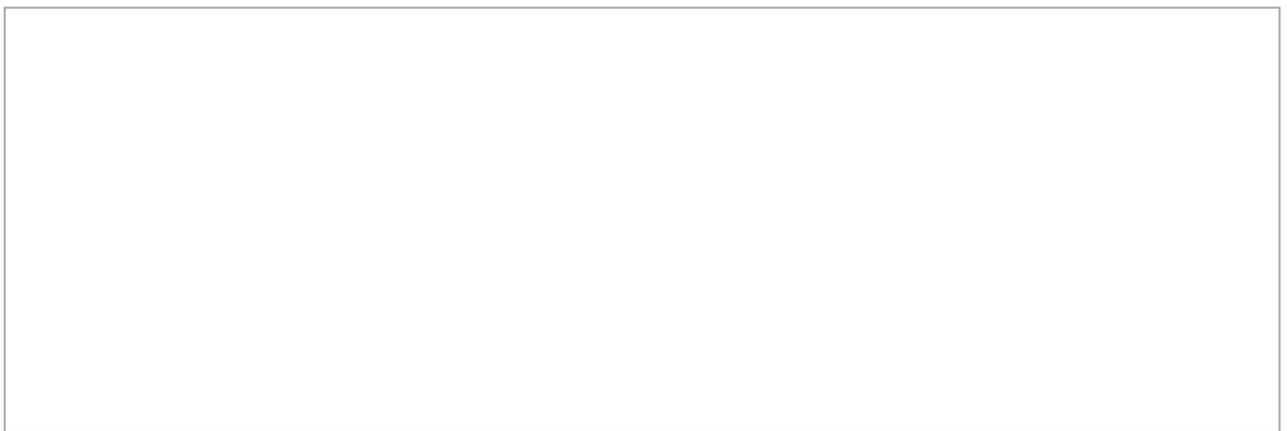

Part 3

The draft plan outlines some of the challenges the health and care system will face between now and 2025.

5. What are your thoughts on the challenges we have identified in our draft Plan?

6. Do you think we have captured all the challenges correctly? Is there anything you would add or disagree with?

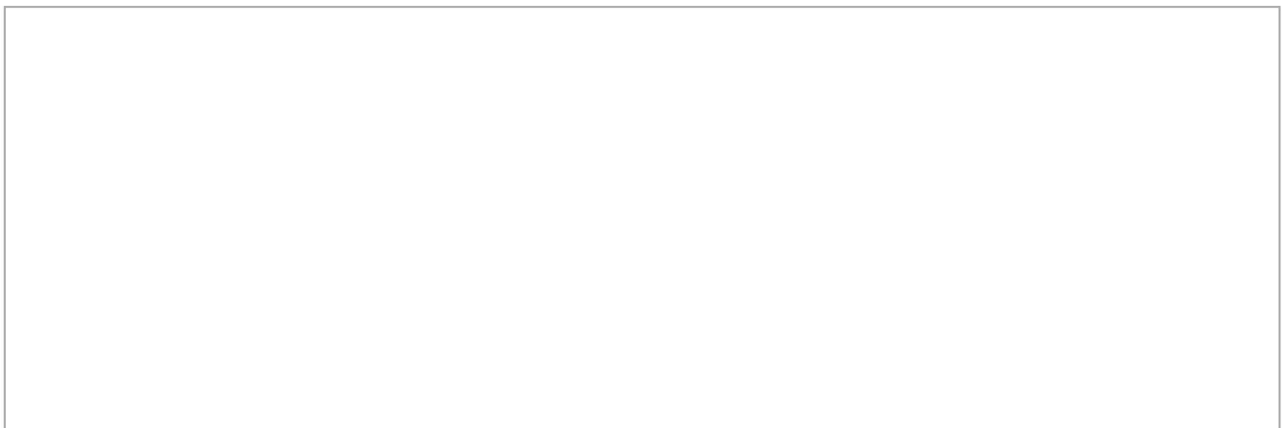

Part 4

We have listened to feedback and have presented our plan in a variety of formats to suit individuals' differing needs

7. What are your thoughts on how this draft plan has been presented?

8. What changes or improvements would you suggest?

And finally...

9. What other comments would you make about this draft Strategic Plan? *
